2014 Service Level Review - Planning and Growth Management Programs

City Council Decision

City Council on October 8, 9, 10 and 11, 2013, adopted the following:

1. City Council direct that the following service standards be added to the City Planning Division and direct the Deputy City Manager to include the necessary resources in the 2014 recommended budget:
 - a. the completion of 75 percent of "City Building Studies" to the timeline identified to the community or approved by Council; and
 - b. the mandatory attendance of the community planner at a minimum of two public meetings for each OPA/Rezoning application at the request of the Ward Councillor.
2. City Council direct the Chief Planner and Executive Director, City Planning to add five additional Avenue or Area studies to the workplan for 2014, and build time into the base budget so that the backlog of Avenue and Area Studies is completed by the time of the next Official Plan Review in five years, and direct the Deputy City Manager and Chief Financial Officer to include the necessary resources in the 2014 recommended budget.
3. City Council direct the Chief Planner and Executive Director, City Planning to add the initiation of three new Heritage Conservation District Studies to the Division's Workplan for 2014, to be started as the three Heritage Conservation District currently forecast for completion are concluding; and to build the base capacity to initiate and complete five Heritage Conservation Districts per year; and direct the Deputy City Manager and Chief Financial Officer to include the necessary resources in the 2014 budget.
4. City Council direct that the service level for "Response to Reports of Construction without

Permit (2 days; non-emergency)" be adjusted to 80 percent for 2014 and direct the Deputy City Manager and Chief Financial Officer to include the necessary resources in the 2014 recommended budget.

Motions (City Council)

1 - Motion to Amend Item moved by Deputy Mayor Norman Kelly (Lost)

That City Council amend Planning and Growth Management Committee Recommendations 1, 2, 3 and 4 by deleting the words "and direct the Deputy City Manager to include the necessary resources in the 2014 recommended budget" and inserting the words "subject to the 2014 budget review process" so that they now reads as follows:

1. City Council direct that the following service standards be added to the City Planning Division subject to the 2014 budget review process:
 - a. The completion of 75% of "City Building Studies" to the timeline identified to the community or approved by Council; and
 - b. The mandatory attendance of the community planner at a minimum of two public meetings for each OPA/Rezoning application at the request of the Ward Councillor.

2. City Council direct the Chief Planner and Executive Director, City Planning to add five additional Avenue or Area studies to the workplan for 2014, and build time into the base budget so that the backlog of Avenue and Area Studies is completed by the time of the next Official Plan Review in five years, subject to the 2014 budget review process.
3. City Council direct the Chief Planner and Executive Director, City Planning to add the initiation of three new Heritage Conservation District Studies to the Division's Workplan for 2014, to be started as the three Heritage Conservation District currently forecast for completion are concluding; and to build the base capacity to initiate and complete five Heritage Conservation Districts per year; subject to the 2014 budget review process.
4. City Council direct that the service level for "Response to Reports of Construction without Permit (2 days; non-emergency)" be adjusted to 80% for 2014 subject to the 2014 budget review process.
